CRESTON ACTIVITIES BOOSTER CLUB

Who are we?

The Creston Activities Booster Club supports virtually all extracurricular activities at Creston High School and Middle School. The school does not have the funds to cover all the needs of our students. This is where the Creston Activities Booster Club comes in.

How can you help?

JOIN OUR TEAM...

Your support is needed to maintain our activities at their highest level. **Please fill out this form and show your support today!**

How do we raise money?

1. MEMBERSHIP PROCEEDS:

- The main income source for the club.
- Last year, memberships raised over \$17,000 for the club. Booster club totaled over 200 members, which includes individuals and businesses.

2. CONCESSION STANDS PROCEEDS:

- Operating concession stands at activities such as high school football, basketball, wrestling, baseball, softball, soccer along with middle school wrestling and basketball tournaments.

School groups (like Spanish Club, Cheerleaders, FCA and the Junior Class) also benefit from the Booster Club. Groups receive a percentage of proceeds for each concession stand they work. The Booster Club pays \$16,000-\$18,000 each year to our concession stand workers.

3. PRODUCT SALES:

- All proceeds from Creston Panther apparel, stadium chairs, blankets and more sold at Creston Farm and Home go directly to Booster Club.

4. FUNDRAISING PROCEEDS:

- Advertising income from activity programs
- Proceeds are also raised from soup suppers and special events.

Where do these funds go?

In 2016-2017, \$23,000 went towards the following HIGH SCHOOL activities:

- Headset microphones for musical and plays
- Folding chairs used by the wrestling and basketball teams
- Exercise bikes used for injured athletes
- Soccer scoreboard and set of practice goals/nets
- New Colorguard silks
- Cheerleading uniform pieces
- Funding for new band uniforms
- State tournament/shrine bowl program advertising
- New golf bags
- New sound system mixer for gym
- New home plate mats for baseball and softball
- Two \$500 Booster Club Scholarships to CCHS seniors

In 2016-2017, \$8500 went towards the following MIDDLE SCHOOL activities:

In addition, the Booster Club supports major projects for the school. Major projects purchased included:

- Boys and girls basketball uniforms
- Football uniforms
- Girls track uniforms
- Ukuleles for Exploratory Music
